

Kansas Department for Aging and Disability Services

KMMC

October 29, 2018

Agenda

- Home and Community Based Services (HCBS)
- Behavioral Health
- Long Term Care Facilities
- State Hospitals

HCBS

Kansas Assessment Management Information System (KAMIS)

- Functional assessments for nursing facilities and all waivers, except Autism
- Waitlist
 - Average length of stay
 - Other demographic information – gender, age, name, address

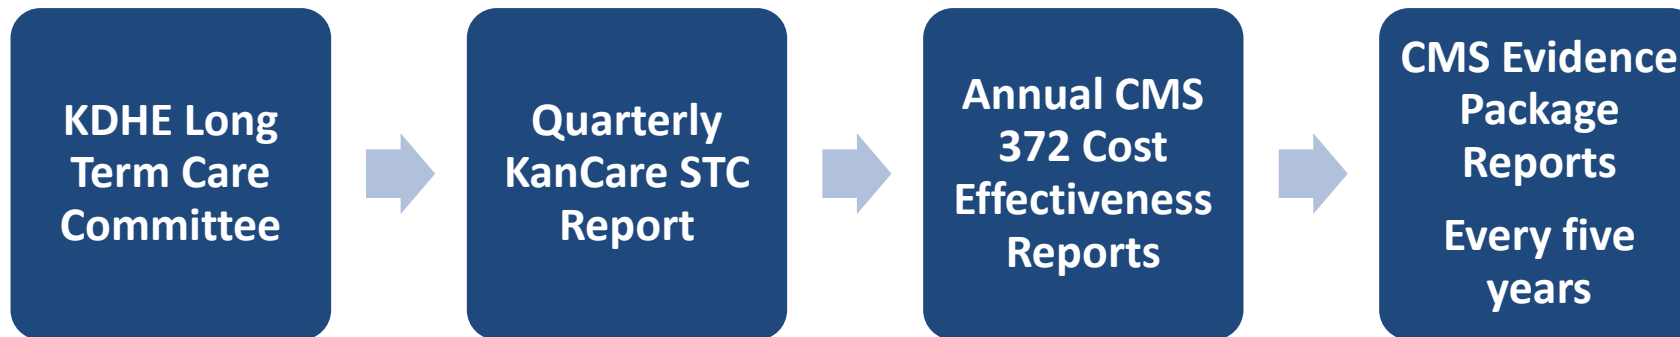

HCBS

Kansas Modular Medicaid System (KMMS)

- MCO paid claims amounts to service providers
- Per member per month capitated payments
- Waiver eligibility and enrollment
- Waiver and state plan service utilization (by service code)
- Demographic data for both waiver member and waiver service providers

HCBS Quality

- Global quality performance measures
 - Administrative Authority
 - Level of Care
 - Qualified Providers
 - Service Plan
 - Health & Welfare
 - Financial Accountability
- Quality review process is governed by Quality Assurance and Licensure Division of Survey and Certification Commission

HCBS Quality

Fall 2017

- KanCare Advocates Network (KAN), including KACIL and Interhab, proposed a list of 30 metrics for HCBS Quality Measurement

Spring and
Summer
2018

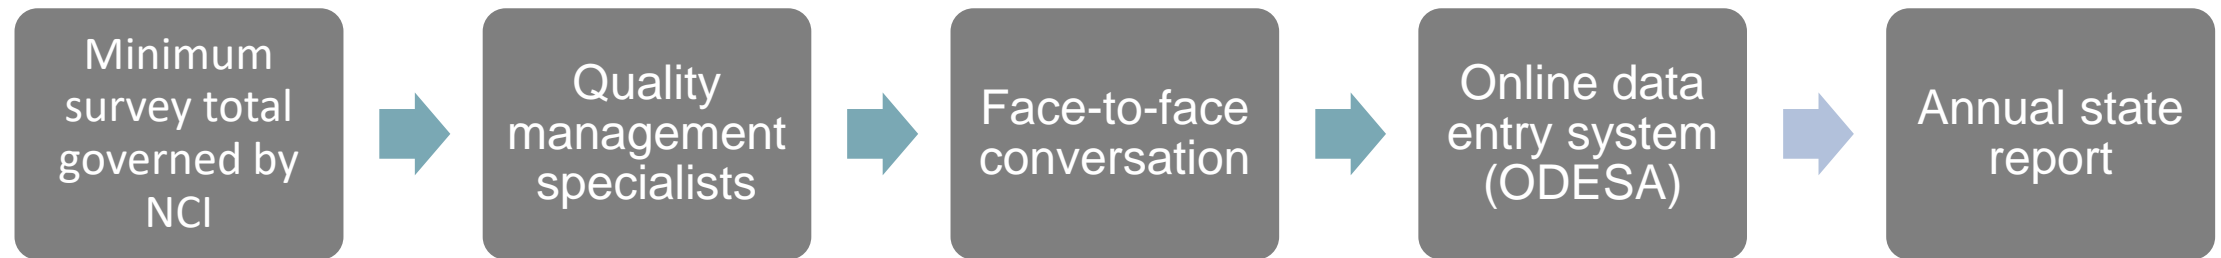

- Compared metrics to current and planned measures
- Requested KAN feedback on priority level and KDADS planned changes

Future

- Share results on priority measures, as they are available
- Implement additional quality measures and surveys, as needed
- Incorporate efforts into Meaningful Measures Collaborative

HCBS Quality

- National Core Indicators (NCI)
 - Survey contains standard measures to assess the outcomes of services provided to individuals and families.
 - The questions cover key areas, such as employment, rights, service planning, community inclusion, choice, and health and safety.
 - Waiver populations included: I/DD, FE, PD, TBI

Behavioral Health

- Service utilization
- MCO paid claim amounts

Automated Information Management System (AIMS)

- Collects and stores demographics, client status, and service data for those served by the Community Mental Health Centers (CMHCs)

Kansas Client Placement Criteria (KCPC)

- Collects and stores demographics, authorization, and service data for those served by substance use disorder providers

Long Term Care Facilities

- Service utilization, MCO paid claim amounts
- UB-04 Revenue codes, other billing modifiers

NFs and NFMHs

- Minimum Data Set (MDS)
- Cost Report
 - Cost center trends
 - Medicaid bed days
 - ALOS

PRTFs

- Cost Report
 - Cost center trends
 - Medicaid bed days
 - ALOS

ICF/IIDs

- Cost Report
 - Cost center trends
 - Medicaid bed days
 - ALOS

Nursing Facility Survey Data

- Resident satisfaction survey
 - Coordination of Care
 - Emotional Support
 - Involvement of Family & Friends
 - Information & Education
- Zero deficiency survey
- Quality, Certification, and Oversight Reports (QCOR) from CMS
- Complaint intake data

State Hospitals

- Cost Reports
 - Expense and cost trends
- Admissions, census, and utilization
- Average length of stay
- Vacancy and overtime trends
