As of January 16, 2015, 80,064 Kansans have enrolled in health insurance coverage through the Kansas marketplace since the open enrollment period began on November 15, 2014. This map shows the number of Kansans, by zip code, who have selected a plan or were automatically re-enrolled for the 2015 coverage year. Information is not yet available on how many of those persons have paid their premium, and are actually covered by the insurance plan selected.
