Note: “-” indicates that data are unavailable or suppressed. African American, American Indian/Alaska Native, Asian/Pacific Islander, Some Other Race and Two or More Races are not broken out by ethnicity in this data set, so these groups should be compared to Non-Hispanic White only and not to Hispanic, Any Race. Non-Hispanic White, African American, American Indian/Alaska Native, Asian/Pacific Islander and Some Other Race are based on those reporting those races alone and not in combination. Two or More Races captures persons reporting more than one race.

Note: “-” indicates that data are unavailable or suppressed. “-” after an estimate indicates the median falls in the lowest interval of the income distribution. African American, American Indian/Alaska Native, Asian/Pacific Islander, Some Other Race and Two or More Races are not broken out by ethnicity in this data set, so these groups should be compared to Non-Hispanic White only and not to Hispanic, Any Race. Non-Hispanic White, African American, American Indian/Alaska Native, Asian/Pacific Islander and Some Other Race are based on those reporting those races alone and not in combination. Two or More Races captures persons reporting more than one race.

Note: “-” indicates that data are unavailable. African American, American Indian/Alaska Native, Asian/Pacific Islander, and Other do not break out ethnicity, so should be compared to Non-Hispanic White only and not to Hispanic, Any Race. Other includes Some Other Race and Two or More Races. Non-Hispanic White, African American, American Indian/Alaska Native, Asian/Pacific Islander and Some Other Race are based on those reporting those races alone and not in combination. Two or More Races captures persons reporting more than one race.

Note: “-” indicates that data are unavailable. African American, American Indian/Alaska Native, Asian/Pacific Islander, and Other do not break out ethnicity, so should be compared to Non-Hispanic White only and not to Hispanic, Any Race. Other includes Some Other Race and Two or More Races. Non-Hispanic White, African American, American Indian/Alaska Native, Asian/Pacific Islander and Some Other Race are based on those reporting those races alone and not in combination. Two or More Races captures persons reporting more than one race.

Note: “-” indicates that data are unavailable. African American, American Indian/Alaska Native, Asian/Pacific Islander, and Other are not broken out by ethnicity in this data set, so these groups should be compared to Non-Hispanic White only and not to Hispanic, Any Race. Other includes Some Other Race and Two or More Races. Non-Hispanic White, African American, American Indian/Alaska Native, Asian/Pacific Islander and Some Other Race are based on those reporting those races alone and not in combination. Two or More Races captures persons reporting more than one race.
