Note: Percentages are for the population with less than high school (HS) education or college or greater (bachelor's degree, graduate degree or professional degree). Percentages will not sum to 100 percent when combined. African American, American Indian/Alaska Native, Asian/Pacific Islander, and Other do not break out ethnicity, so should be compared to Non-Hispanic White only and not to Hispanic, Any Race. Other includes Some Other Race and Two or More Races. Non-Hispanic White, African American, American Indian/Alaska Native, Asian/Pacific Islander and Some Other Race are based on those reporting those races alone and not in combination. Two or More Races captures persons reporting more than one race.

Note: “-” indicates that data are unavailable. Percentages are for the population with less than high school (HS) education or college or greater (bachelor’s degree, graduate degree or professional degree). Percentages will not sum to 100 percent when combined. African American, American Indian/Alaska Native, Asian/Pacific Islander, and Other do not break out ethnicity, so should be compared to Non-Hispanic White only and not to Hispanic, Any Race. Other includes Some Other Race and Two or More Races. Non-Hispanic White, African American, American Indian/Alaska Native, Asian/Pacific Islander and Some Other Race are based on those reporting those races alone and not in combination. Two or More Races captures persons reporting more than one race.

Note: “-” indicates that data are unavailable. Percentages are for the population with less than high school (HS) education or college or greater (bachelor’s degree, graduate degree or professional degree). Percentages will not sum to 100 percent when combined. African American, American Indian/Alaska Native, Asian/Pacific Islander, and Other do not break out ethnicity, so should be compared to Non-Hispanic White only and not to Hispanic, Any Race. Other includes Some Other Race and Two or More Races. Non-Hispanic White, African American, American Indian/Alaska Native, Asian/Pacific Islander and Some Other Race are based on those reporting those races alone and not in combination. Two or More Races captures persons reporting more than one race.

Note: “-” indicates that data are unavailable or suppressed. Represents births to mothers who are Kansas residents. Births can occur in other states but are reported based on the residence of the mother. Rates are for three five-year periods. Rates for Other non-Hispanic birth counts are not included as a separate category due to the used of Bridged-race estimates for denominators. These counts are included in the count for All Kansans and the sum of the other racial/ethnic groups will not sum up to the count for All Kansans. Using Bridged-race estimates, persons identifying as Some Other Race and Two or More Races have been reapportioned to one of the following racial categories: White, African American, American Indian/Alaska Native, and Asian/Pacific Islander.

Note: “-” indicates that data are unavailable or suppressed. Represents births to mothers who are Kansas residents. Births can occur in other states but are reported based on the residence of the mother. Rates are for three five-year periods. Rates for Other non-Hispanic birth counts are not included as a separate category due to the used of Bridged-race estimates for denominators. These counts are included in the count for All Kansans and the sum of the other racial/ethnic groups will not sum up to the count for All Kansans. Using Bridged-race estimates, persons identifying as Some Other Race and Two or More Races have been reapportioned to one of the following racial categories: White, African American, American Indian/Alaska Native, and Asian/Pacific Islander.

Births can occur in other states but are reported based on the residence of the mother. Rates are for three five-year periods. Rates for Other non-Hispanic birth counts are not included as a separate category due to the used of Bridged-race estimates for denominators. These counts are included in the count for All Kansans and the sum of the other racial/ethnic groups will not sum up to the count for All Kansans. Using Bridged-race estimates, persons identifying as Some Other Race and Two or More Races have been reapportioned to one of the following racial categories: White, African American, American Indian/Alaska Native, and Asian/Pacific Islander.
