Note: The U.S. Department of Health and Human Services (HHS) released final summary enrollment data on April 3, 2018, for the fifth open enrollment period of the federally facilitated health insurance marketplace created by the Affordable Care Act (ACA).

The open enrollment period lasted from November 1, 2017-December 15, 2017 (with a run-out period until December 23, 2017). During that time, a total of 14,499 Kansans had selected a standalone dental insurance plan for the 2018 plan year through the marketplace. The data report the count of unique consumers who selected or were automatically re-enrolled into a 2018 Exchange dental plan (regardless of whether the consumer paid the premium).
