Note: The U.S. Department of Health and Human Services (HHS) released final summary enrollment data on April 2, 2020, for the seventh open enrollment period of the federally facilitated health insurance marketplace created by the Affordable Care Act (ACA). The open enrollment period lasted from November 1, 2019, to December 18, 2019. During that time, a total of 13,007 Kansans selected a standalone dental insurance plan for the 2020 plan year through the marketplace. The data report the count of unique consumers who selected or were automatically re-enrolled into a 2020 marketplace dental plan (regardless of whether the consumer paid the premium).
