1. What additional funds are made available for nursing facilities during the omnibus budget process for the 2022 legislative session?

- The Omnibus Conference Committee agreed to add \$15.0 million, all from federal American Rescue Plan Act funds, to provide funding to nursing facilities to cover rising costs associated with staffing shortages for facilities in FY 2022 and add language lapsing the funding should it be determined that the funding is not an allowable purpose under federal guidelines.
- The Conference Committee, nor the omnibus budget bill, provided additional details on the funds.
