

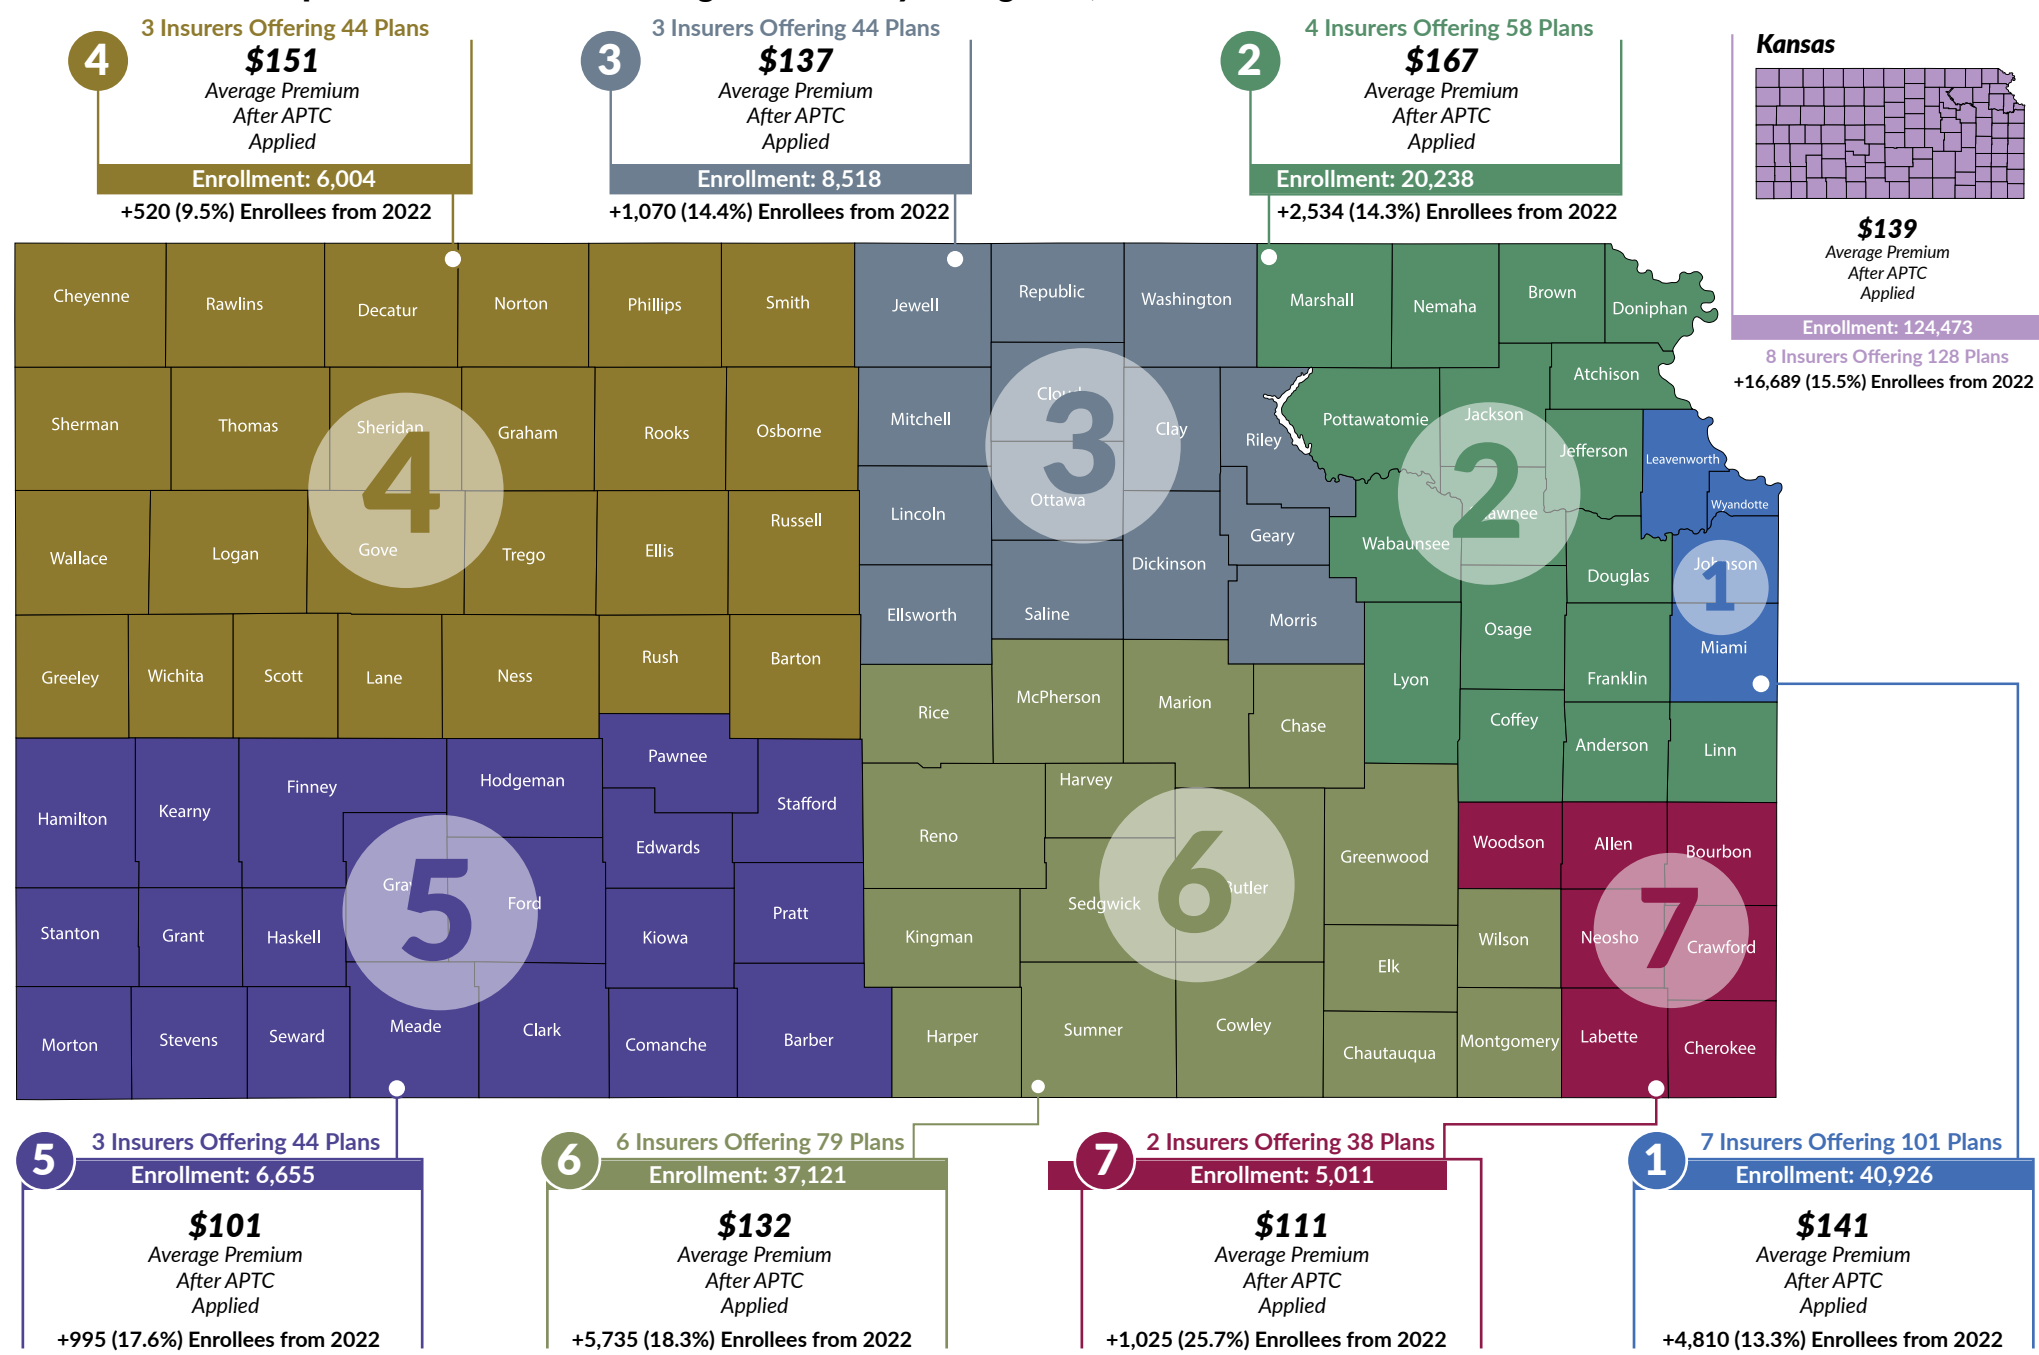

Figure 6. Kansas Marketplace Enrollment and Average Premium by Rating Area, 2023

Note: The number enrolled is the number of people selecting a plan during the marketplace open enrollment period. The premium shown for Kansans with APTC is the average monthly premium charged after the Advance Premium Tax Credit (APTC) is applied. Statewide, 91.4 percent of enrollees received APTC. The APTC is available to enrollees with income above 100 percent of the federal poverty level (FPL; \$27,750 for a family of four in 2022). All Kansas counties have at least two health plans offering coverage.
