Note: The number enrolled is the number of people selecting a plan during the marketplace open enrollment period. The average premium shown is for all enrollees after Advance Premium Tax Credit (APTC) applied regardless of whether they received APTC (see *Figure 5*). The APTC is available to enrollees with income above 100 percent of the federal poverty level (FPL; $30,000 for a family of four in 2023). All Kansas counties have at least two health plans offering coverage, while at least three health plans are operating in all rating areas.
