

FuseKS Data Walk

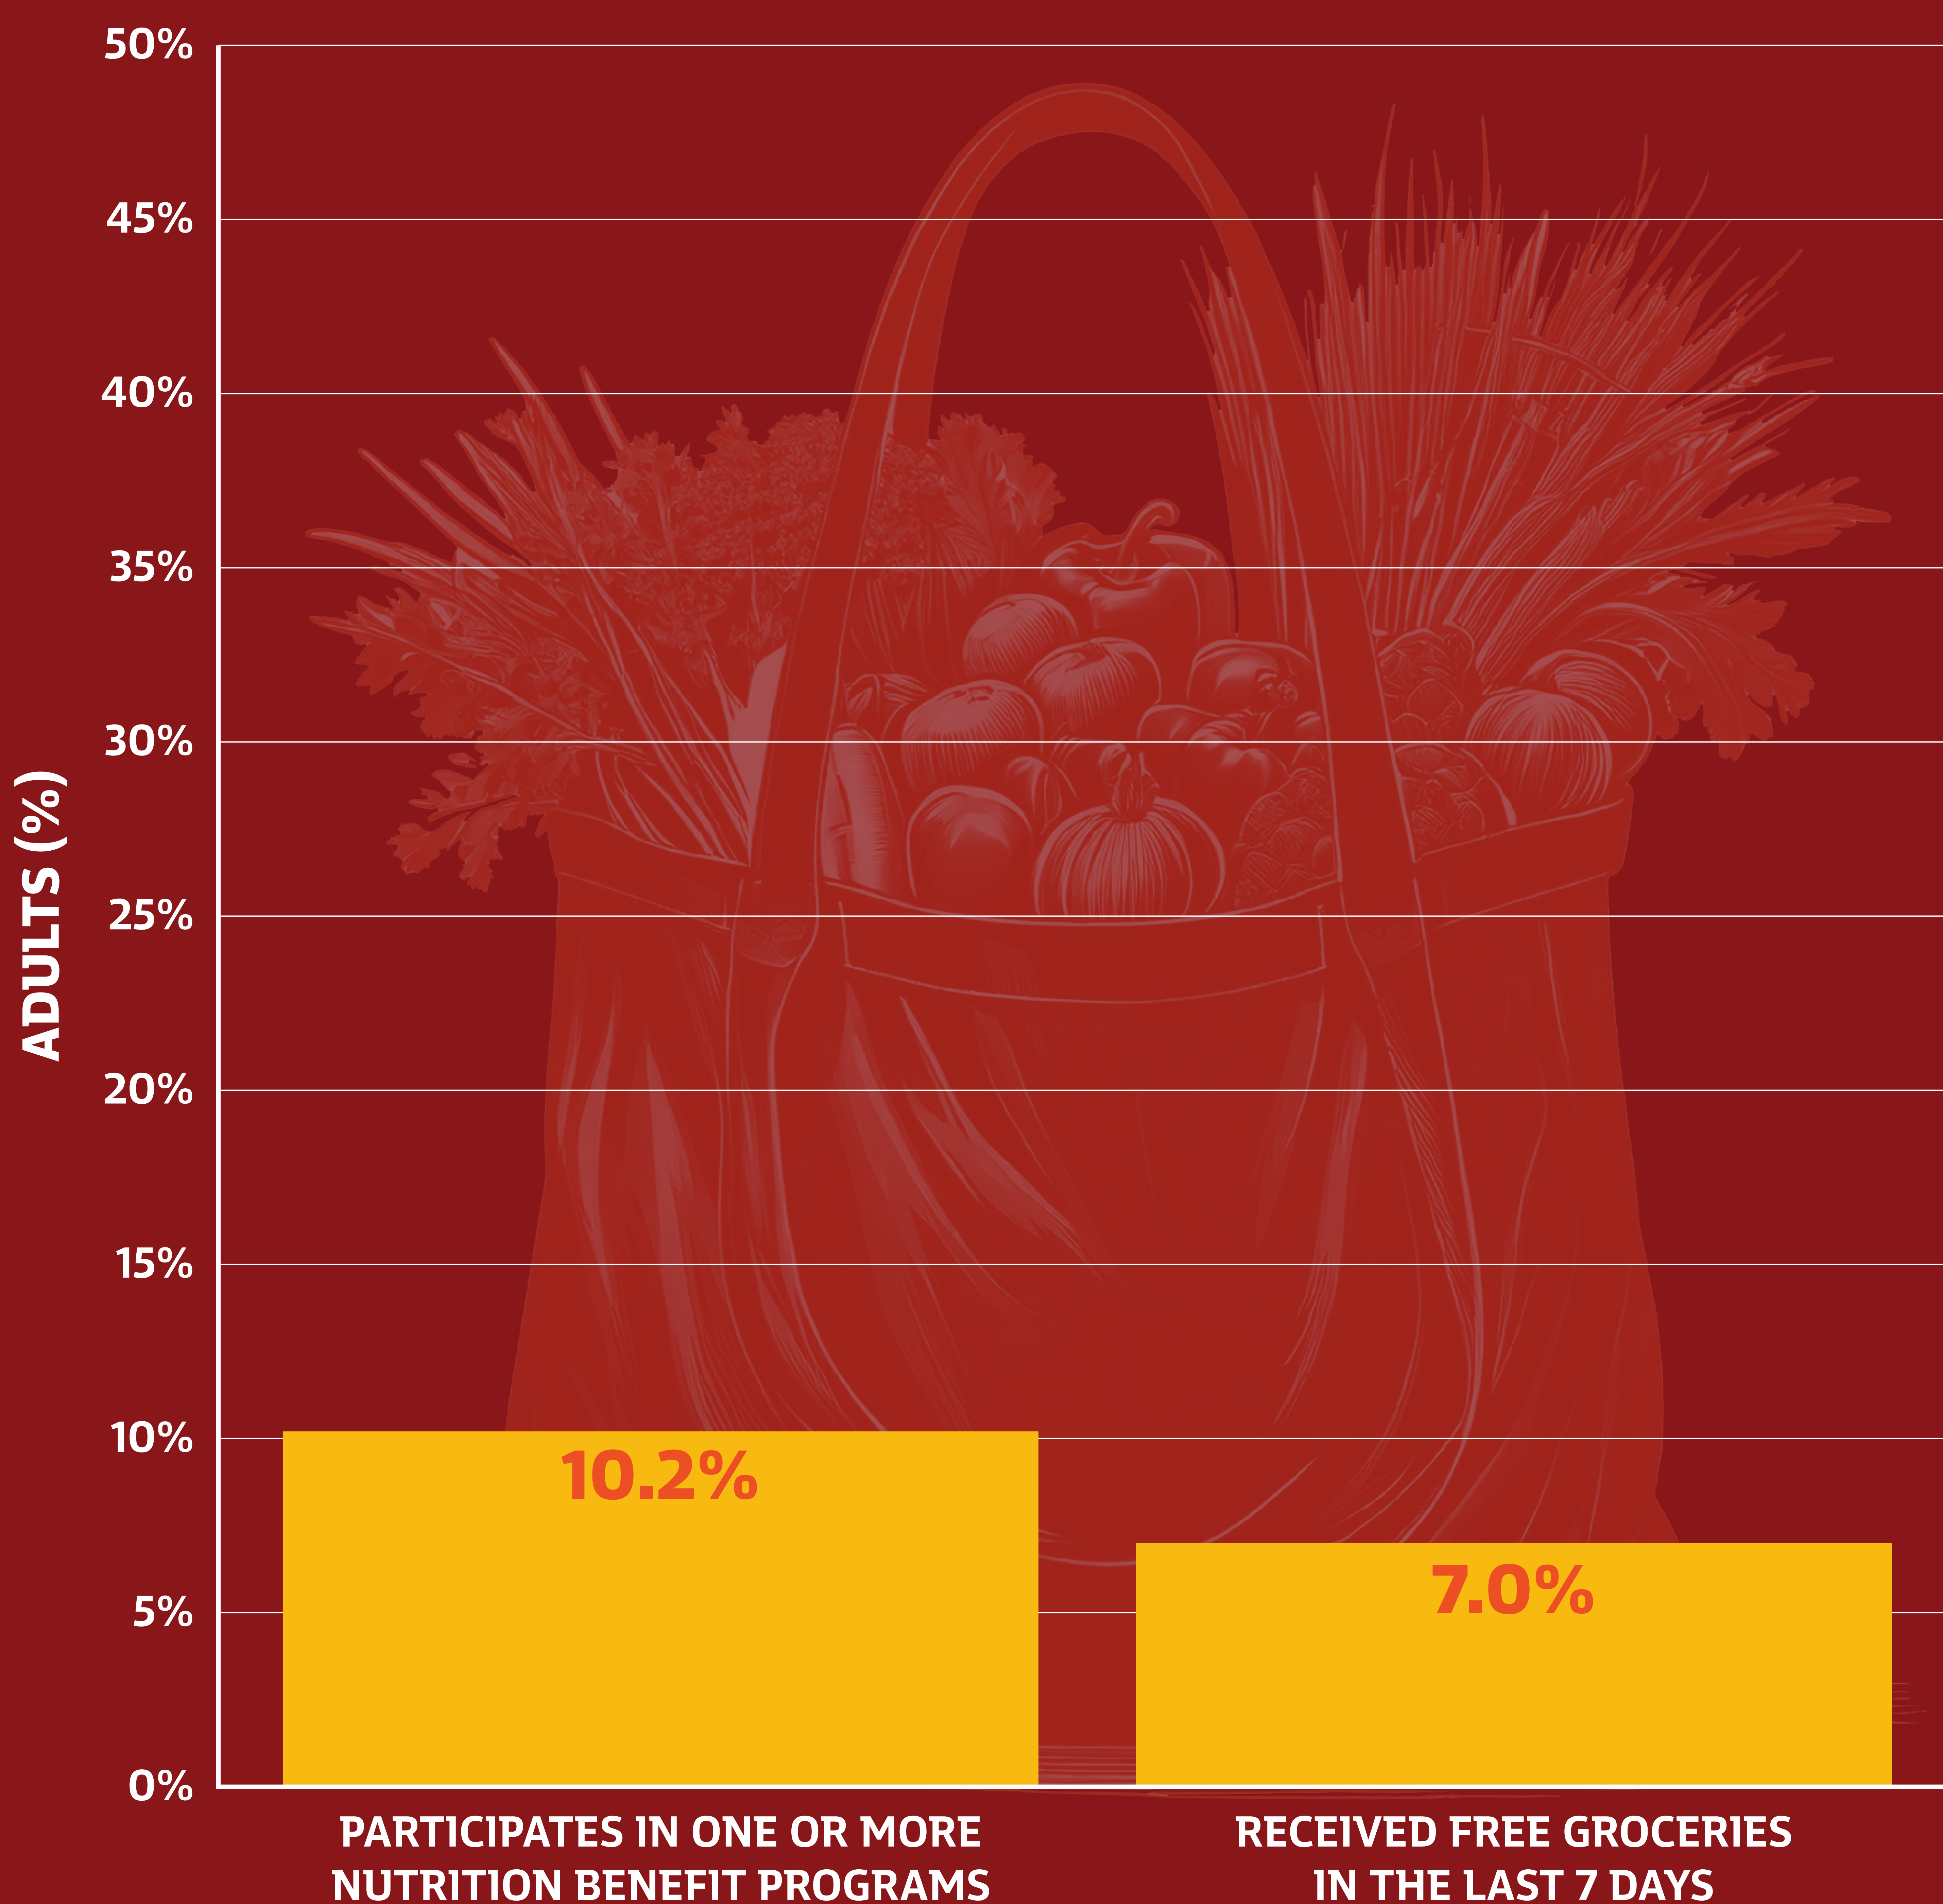

What this measures:

Utilization of social services related to food (federal benefits, pantries or other nutrition assistance programs).

Accessible Version

SOCIAL SERVICE UTILIZATION FOR FOOD AMONG KANSAS ADULTS, 2024

1 in 10
adults receive
nutrition
assistance
benefits
(10.2%) or free
groceries (7.0%)
for their
household.

Note: Respondents were surveyed on the household level and responses were weighted for population estimates for adult population age 18 or older. Nutrition program utilization refers to participation in one or more of the following programs: Supplemental Nutrition Assistance Program (SNAP); Special Supplemental Nutrition Program for Women, Infants, and Children (WIC); and Summer Electronic Benefits Transfer (Summer-EBT). Free groceries refers to a household receiving free food from a food pantry, food bank, church or other place that provides free food.
