KANSAS HEALTH INSTITUTE
Informing Policy. Improving Health.

Bring It!

Federal Rural Health Funding in Kansas

On Feb. 10, the Kansas Health Institute provided an overview of key federal rural health funding efforts, including the new Rural Health Transformation Program (RHTP) and Federal Office of Rural Health Policy (FORHP) programs. Participants learned how these initiatives support rural health access, care delivery and system sustainability, and what they may mean for Kansas communities, state policy discussions and those navigating rural health funding opportunities.
