

Region 7 Maternal Health ECHO® Session 2

Bridging Community and Clinical Approaches

On July 28, the Kansas Health Institute hosted Session 2 of the Region 7 Maternal Health ECHO series. Participants explored practical ways to connect community-based support with clinical care pathways, strengthen trust and ensure that maternal health strategies reflect real needs across Missouri, Iowa, Nebraska and Kansas. Use this guide to dive deeper into key resources, reflect on discussion questions and capture your thoughts or takeaways as we explore maternal health in Region 7.
